Marc Rudov to Appear on the “KTLA Morning Show”

Will expose women’s manipulative double standards in relationships

Los Gatos, Calif., August 22, 2007—Marc H. Rudov, author of *The Man’s No-Nonsense Guide to Women: How to Succeed in Romance on Planet Earth*[™] (ISBN 0974501719) and *Under the Clitoral Hood: How to Crank Her Engine Without Cash, Booze, or Jumper Cables*[™] (ISBN 9780974501727) today announces his appearance Wednesday, September 5, 2007, at 9:20AM PT, on the [KTLA Morning Show](#). KTLA, seen on channel 5 in Los Angeles, is an affiliate of the CW Television Network. An internationally recognized author and radio/TV personality, Rudov will expose women’s manipulative double standards in relationships and exhort men to stop tolerating them. According to Mr. Rudov, “LA has a high divorce rate, estimated at 75%. Lots of people are becoming single ... again. Women are flush with alimony and property settlements; men are broke or broken. Yet, nothing will change. Women will continue digging for gold, and wimpy men will oblige them with their wealth-depleting wining & dining for sex. Given that women are MORE sexual than men, why would men do this? Simple: ignorance about female sexuality and double standards.” Rudov adds, “My appearance on the *KTLA Morning Show* will set men straight and teach them to grow a pair.”

Ms. Kalina Rahal, segment producer, exclaims: "We are very excited to have Marc Rudov as our guest on the *KTLA Morning Show*. I've already promised Marc that he'll have no men on the set to defend him during this upcoming firestorm. He'll have to face four women—ready to take him on."
